OFFICE OF PETITIONS

In re Application of  
Chia-Yu Fu et al  
Application No. 09/712,749  
Filed: January 14, 2000  
Attorney Docket No. CT00-020

ON PETITION

This is a decision on the petition under 37 CFR 1.137(b), filed October 16, 2003, to revive the above-identified application.

The petition is **DISMISSED**.

Any request for reconsideration of this decision must be submitted within TWO (2) MONTHS from the mail date of this decision. Extensions of time under 37 CFR 1.136(a) are permitted. The reconsideration request should include a cover letter entitled "**Renewed Petition under 37 CFR 1.137(b)**." This is not final agency action within the meaning of 5 U.S.C. § 704.

The above-identified application became abandoned for failure to reply within the meaning of 37 CFR 1.113 in a timely manner to the final Office action mailed January 17, 2003, which set a shortened statutory period for reply of three (3) months. No extension of time under the provisions of 37 CFR 1.136(a) were obtained. Accordingly, the above-identified application became abandoned on April 18, 2003.

A grantable petition under 37 CFR 1.137(b) must be accompanied by: (1) the required reply, unless previously filed; (2) the petition fee as set forth in 37 CFR 1.17(m); (3) a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional; and (4) any terminal disclaimer (and fee as set forth in 37 CFR 1.20(d)) required by 37 CFR 1.137(c). Where there is a question as to whether either the abandonment or the delay in filing a petition under 37 CFR 1.137 was unintentional, the Commissioner may require additional information. See MPEP 711.03(c)(III)(C) and (D). The instant petition lack(s) item(s) (1) and (2).

As to item (1), A petition to revive cannot be granted where there is an outstanding requirement(s). In the instant case, there was no response to the January 17, 2003 Office action. The reply must be a Notice of Appeal (and appeal fee required by 37 CFR 41.20(b)(2), an amendment that *prima facie* places the application in condition for allowance, a Request for Continued Examination and submission (37 CFR 1.114), or the filing of a continuing application under 37 CFR 1.53(b). See MPEP 711.03(c)(III)(A)(2). Accordingly, the petition to revive cannot be granted until the response to the January 17, 2003 Office action is received.

As to item (2), petitioner has given the Office authorization to charge any fees, which may be required in the petition on October 16, 2003. Office finance records show the person signing the petition (Douglas W. Gilmore) is not on the authorization to charge for this deposit account; therefore, the Office is unable to charge the \$1330 petition fee.

There is no indication that the person signing the instant petition (Douglas W. Gilmore) was ever given a power of attorney or authorization of agent to prosecute the above-identified application. If the person signing the instant petition desires to receive future correspondence regarding this application, the appropriate power of attorney or authorization of agent must be submitted. While a courtesy copy of this decision is being mailed to the person signing the instant petition, all future correspondence will be directed to the address currently of record until such time as appropriate instructions are received to the contrary.

Further correspondence with respect to this matter should be addressed as follows:
